Dear Parents,

On Sunday Governor Inslee reinstated some state restrictions. Also some local school districts have halted some of their plans to return to in person learning for high school grades. None of these measures affect Sunnyside Christian School and we plan to continue with our in person instruction. However, as we enter in the holiday season we know that we will want to gather with family to celebrate all of our blessings. We just ask that you continue to exercise caution when sending your kids to school. If you feel that you have been in close contact with someone who has tested positive or if anyone in your family develops any COVID related symptoms please do not send your kids to school until you can be assured that everyone is healthy.

I am incredibly grateful with how the whole school community has worked together to ensure that we have been able to have in person instruction this fall and pray that even with these recent changes we will continue to meet in person. We need to continue to be vigilant over the next month.

We appreciate your patience and understanding during this difficult time. As a school we will continue to monitor both students and staff as try to protect the health of everyone.

If you have any questions or concerns do not hesitate to contact the elementary school office.

Sincerely,  
Brad Van Beek  
SCS Administrator

Have I not commanded you? Be strong and courageous. Do not be afraid;  
do not be discouraged, for the Lord your God will be with you wherever you go.  
Joshua 1:9
