Dear Parents,

This afternoon we received word that school will be canceled for all schools in the state of Washington beginning Tuesday, March 17 through April 24. We will plan on having school on Monday. On Tuesday the staff will gather to begin putting in place a plan to help meet the academic needs of our students. It will most likely include a combination of online activities and other work that can be done at home. Please be patient as we put these plans in place.

It is our desire to ensure that this process go as seamlessly as possible. We will be in touch with you throughout this time frame, keeping you apprised of progress, expectations, and changes. We are planning on being available to answer questions and assist you and your child(ren) in any way we can. When we have prepared the work, we will contact you regarding pick-up times and availability. We will be contacting you via social media, the school website, and emails.

We are committed to providing a Christ-centered, Bible-based, quality education throughout the coming weeks. We serve a powerful, all-knowing God. As we go forward, we put our hope and trust in Him.

Thank you,

Brad VanBeek

Superintendent
