

PAVER PLAZA

**"Your faithfulness continues through all generations;
you established the earth, and it endures.**

Psalm 119:90

The first set of pavers has been placed. These testimonial stones and pavers stand as a testament to God's faithfulness to Sunnyside Christian School for the past 60 years.

You can be a part of this visible testimony of faith. Your paver will be a visible reminder that our faith in God is the stepping stone to the future.
