K-8th Valentine's Day Reminder: Please note the following school Gift Policy..."Students who give gifts to each other should do so outside of school in order to avoid hard feelings on the part of friends and classmates who are not included. If gift giving and/or valentine cards do occur at school, they must be extended to the entire class (or all the girls/boys). Also, please be aware that gifts from parents or other people that are delivered to students at school will be held in the school office until the day is finished. It is preferred that such gifts be delivered to the student's home." Thank you for your understanding and cooperation.

2018 BOOSTER AUCTION

2018 Booster club auction is under way! This year's auction is going to be April 28th at the Sunnyside Christian High School gym. If you are interested in helping out or just want to find out more about what the booster club does, please feel free to contact Faith Smeenk (509)840-2475, or Jody Andringa (509) 439-9603. Listed below are several areas where we could use some help, please contact us if you would like to be a part of this year's auction!

Volunteer/Service Hour Opportunities:

****Procurement Team:** Without donations from local businesses we would not have an auction. Our Procurement Team is an integral part of the auction. Responsibilities include calling on businesses to solicit and arrange for pickup of their donation.

****Classroom Project Coordinator:** Each class provides a project for the auction and we need a parent or team of parents to coordinate that project. Our goal is to get the kids involved as much as possible. Coordinator responsibilities include choosing and implementing the project, communicating project information to the class parents, and collecting funds to help cover the cost of the project.

****Auction Helpers:** It takes many people to help the auction run smoothly: registration/checkout clerks, silent auction closers, raffle ticket sales, bid spotters.

****Miscellaneous:** We are always looking for people to help with various aspects of the auction such as mailings, running errands, picking up auction items, and help with setup during auction week.

There are many ways for you to help!!
