**Parent/Teacher Conferences:** will be held Monday afternoon/evening, February 25 and Tuesday afternoon/evening, February 26. Sign-up forms are attached to this newsletter. Conferences will be scheduled in the order they are received by the office. Second semester conferences are designed to help our students finish the second half of the year successfully.

**Junior High Career Expo:** will take place the morning of Monday, February 11<sup>th</sup>. It is a morning when students will attend up to four different seminars pertaining to either an interest of theirs or a possible career path. The event is held at school, and we ask that parents keep this date free from appointments, etc. if at all possible, as it is a fun event that the kids look forward to.

**K-8<sup>th</sup> Valentine's Day Reminder:** Please note the following school Gift Policy...“Students who give gifts to each other should do so outside of school in order to avoid hard feelings on the part of friends and classmates who are not included. If gift giving and/or valentine cards do occur at school, they must be extended to the entire class (or all the girls/boys). Also, please be aware that gifts from parents or other people that are delivered to students at school will be held in the school office until the day is finished. It is preferred that such gifts be delivered to the student's home.” Thank you for your understanding and cooperation.
