The **SCS Foundation** is pleased to welcome **Sonya Faber** as the new Executive Assistant. We know she will be a great addition to our staff. Sonya and her husband, Rob, currently have three children here at SCS: Justin (7th), Ross (5th), and Brea (1st).

Baseball: Tyler Alseth will be coaching the high school baseball team this year. The baseball team is selling merchandise to help promote the new team. If you or your family is interested in purchasing any of these items, please go to www.kimmel.itemorder.com and enter the sale code **kgj33**. There are youth and adult sizes of sweatpants, sweatshirts, and T-shirts.

We are closing in on our Fall Drive goal of \$85,000 for tuition aid, busses, and technology. If you still intend to send a gift, we are still welcoming them! Thank you for following up on your pledges. It is greatly appreciated!

Found: A significant amount of cash was turned in to the school office this past Monday morning. If you think it may belong to you, please call the office to claim 837-3044.

Booster Club Auction Classroom Projects: If you would be willing to do a classroom project for this years auction, or if you would like ideas or more information about classroom projects, please contact Sonya Faber 837-3642 or faberfive@centurylink.net.

Boxtop Update: Thank you for saving your boxtops!! At this time, we are already at 8,996 boxtops and counting—well on our way to our 10,000 goal. The students have done a great job of bringing them, and the competition is close! The final submission deadline for this school year will be Thursday, February 9.

Iowa Test of Basic Skills: Wed., March 7 thru Tues., March 13 All students are highly encouraged to be here during testing days, and *we ask that you do not schedule any appointments during this time*. If you have any questions, please feel free to contact your child's teacher or call the office.

WINTER WEATHER CONDITIONS Delays and closures will also be posted on the school website homepage www.sunnysidechristianschool.org. If there is no message, school is on time, using regular bus routes.

Piano Players: The high school choir is in need of a volunteer accompanist a few days per week. Generally speaking, this would be Mon.-Thurs., 2:30-3:15 p.m. If you are able to help out even just a couple days a week, it would be greatly appreciated. Also, if you are comfortable with playing for class time, but would prefer not to accompany during the concerts, we can make arrangements for that as well. For more information, please contact Renae Vander Molen at renae.vandermolen@gmail.com or (641)780-3385. (Service hours available!)

Campbell's Labels for Education: is offering a special collection sheet for 100 bonus points in the Sunday advertisement section of the newspaper. Watch for this special offer and turn it into the office. Thanks!

Torchlight Mailing: In order to be more efficient and save paper/postage, we will offer the Torchlight by e-mail in the near future. This publication would be e-mailed to you as a full color PDF (Portable Document File), which is easily viewed on most computers. At this time, we will continue mailing the paper version as usual. However, if you would prefer to receive the Torchlight via e-mail, simply contact the elementary office and we will add you to the e-mail list. Thank you!

Attention Little Dribblers: Starting in September of 2012, SCS is starting a little dribblers club. The club would be for all kids in 1st - 5th grade. We will call ourselves the Mighty Knights! Practices would either be on Friday afternoons at 3:30 pm or Saturday mornings and would typically last 90 minutes. After approximately 12 weeks, the little guys and gals would put on a performance or two at home high school basketball games. We are asking for interested parents and students to let us know your interest level. There will be signup costs of approximately \$10 to cover the cost of a basketball. We may possibly place an order for T-shirts in which case an additional cost would apply. These shirts would likely be optional. At this point in time, we are looking for your feedback and would strongly encourage you to let us know if you and your children are interested. Please email Dan De Boer at dndbr@yahoo.com with your interest level, number of potential students and your preference on practice schedule. We would also like to get a couple of high school aged volunteers to help out (volunteer hours available!)
