- ❖ **List in the boxes four important dates**—If your book includes the dates. If your book does not have all of the dates of the important events you choose, you may leave the boxes blank. You do NOT need to go and look elsewhere for the dates. I would like to know what information you were able to get from the book you read.
- ❖ **Write a sentence telling why each date is important**—Please write a complete sentence for each of these, just as we have been practicing at school. Please put the events in order as they happened. And...please do not include the birth and/or death of your person as one or two of the important events. You have already told me that information in the top part of this book report.
- ❖ **Why did you choose to read about this person?**—Please use a complete sentence to answer this question.
- ❖ **Do you admire this person?**—Just a yes or a no
- ❖ **Why or why not?**—Please use a complete sentence. Please do not start your sentence with the word "because." (It probably won't be a complete sentence if you do that.) You may start your sentence by writing, "I admire this person because _____."
