

Dear Parents,

October 2, 2023

Happy Monday! Another short week of school for the students! I'm sure that they will appreciate the additional break! :)

Because of the short week, we will again not have a spelling test or a new memory work assignment.

Reminder: The **Biography book report** is due by next Friday, October 13.

Classroom Help: Beginning next Monday, **Mrs. Megan Hughes** will be assisting in the 3rd grade classroom from 8:30-11:30 each morning!

Note: I would like the **Progress Reports** to be signed and returned to me. You may either send it to school with your child this week or bring it along with you to Parent-Teacher Conferences. Included with the progress report was a list of questions to go over with your child, if you have time.

CALENDAR:

Tuesday: Prayer Assignments due

Social Studies Test (The test review went home last week. It is also posted on my web page.)--Reminder: Please note that students will not be required to write the definitions of any of the words. The definitions will be provided, and the students will need to match/fill in the blanks, using a word bank. They will also need to have an understanding of the short answers on the review. The students have been/will be reviewing in class as well.
