

Welcome to Sunnyside Christian School's New App!

Download
Our New
Mobile App!

The App provides parents, students, faculty, and our community with all the information needed in one convenient place. The App is to ensure that you are always informed of the most important news, announcements, and events.

The App includes:

- Newsletters
- Calendar events
- Important Parent Portal Links (FACTS Family)
(Lunch, Grades, Classroom, Service Hours, Athletics)
- Directory
- Enrollment
- Giving
- All Social Media Links
- Fundraisers (Appeals)
- and more.....

The information presented in the Sunnyside Christian School App is drawn from the same source as the Sunnyside Christian School webpage and FACTS family webpage.

We would appreciate feedback from our Families and Community by filling out the Survey icon. We are still updating items and working out the bugs before school starts next fall. Please be patient as things are coming along.

There will be Notifications sent out which show up in the App at the top right 3 bars or on the SCS App icon on your phone home screen, but this App is to be checked regularly for new info as the individual icons are "LIVE". The FACTS Family Icons are for our School Families (password protected to secure private information) and Other Icons are for our School Families & SCS community (public).

The Profile you create for the App will also be used for our NEW Giving platform (Give on the App) for Fundraising (Appeals) & SCS Foundation.

Encourage your friends, family, community and supporting members to download the App. Quick easy share is in the SCS App under "Download new App". Share QR code and website inside.

Questions Contact Suzanne Moore or Tiffany Haak

Sunnyside Christian School App

Available to Download on all Devices

Search in playstore/app store: **Sunnyside Christian School**

Website link <https://a3a.me/sunnysidechristianschools>

* **Click Yellow** button either Apple or Android for your Device

or Scan QR code

Parent & Student Login Instructions:

Family Portal Icons are available to parents and students who have FACTS login credentials.

Please follow these steps to log in:

Click on a Profile Icon

This window will open (see image at right):

Enter your FACTS Parent login credentials

(district code: SCSS-WA, username, and password) and click Login.

The app keeps parents and students logged in to all Family Portal features for 30 days. After that, login credentials must be entered again.

Community (Public) e.g. grandparents, Login Instructions:

Create Profile in the app

No access to certain icons due to privacy of school families

New ways to Give to SCS:

We have also launched a New Giving platform (School and Foundation) through FACTS.

• Available thru the SCS App (Give)

• Text-to-Give phone number

Sunnyside Christian

Text "Give" to 509-712-3081

• Giving webpage <https://a3a.me/sunnysidechristianschools>
