Hot Lunch Orders

- Parents prepay for hot lunch orders through the financial tab in the FACTS parent portal. Lunches will be deducted from that account daily.

- Elementary teachers go over online orders with students. If a student thinks they should have an order placed online but it is not listed, the teacher can place the order for them if the parent approves.
- Online lunch orders are open for a week at a time. Your prior placed order does not recur. You must place your order each day or for the week.
- If you placed an order for your student and the student does not attend school that day, please remove the order online or call the elementary/high school office so the order can be removed.

Thrift Shop News

Would you like your student to get his/her service hours completed? High school students may complete service hours without parental supervision. Grade school children must have a parent or guardian with them in order to work a shift at SC Thrift Shop. This is a wonderful opportunity for your child/children to serve our community.

We currently have loads of laundry ready for pick up; this is a great way to get your service hours done from the comfort of your own home. One basket of laundry equals one service hour.
