WINTER WEATHER CONDITIONS: It is the time of year to be ready for fog, snow, and ice. **The best place to check for school delays and cancellations due to weather is the school website: www.sunnysidechristianschool.org or the school's social media platforms, Facebook & Instagram.** You will also be notified through the SCS weather alert text, email and calling system. If you would prefer to opt out of this notification process, let the elementary office know. Bus drivers may call a snow route for their area only- you will be notified by your bus driver if that situation develops. Also, **if you are **NOT** planning to ride the bus, PLEASE CALL or TEXT YOUR DRIVER by 6:45 AM.** When roads are slick and travel is slower, they **appreciate knowing that information ahead of time so they can plan accordingly.** We are thankful for the dedication and commitment of our bus drivers and ask for your continual prayers for them and our students as they travel the roads each day.

SCS Home Basketball Games will be broadcast on our YouTube channel. The link is...<https://bit.ly/3BvCHWs>

High School Class Changes: You have until next Monday, January 26, to make any class changes. The class change forms are in the office on the wall rack. Any questions, please consult Mrs. Driesen.

SCS Booster Club: The SCS Booster Club consists of parents who volunteer their time to coordinate the annual Booster Club Auction. Proceeds from the auction are used to help the school in various ways including transportation costs, safety measures, educational needs, and different programs within the school. While the Booster Club is made up of a group of volunteers, help is needed from the entire school community in order to make the auction successful. We aim to raise over \$100,000 each year.

The auction will be held online Tuesday, April 28- Friday, May. While the actual auction is online, there is a community event that will be held on Friday, May 1, which includes a preview of auction items and a dinner (proceeds from the dinner help fund the Junior Class trip to Washington D.C.). We are looking for people to help with classroom projects (all grade levels), raffle sales, and procurements.

Ways to Help:

1. If you can help coordinate a **classroom project** or would like to know more information, please contact Misti Riel at (509) 830-4101.
2. If you would like to help with the **raffle ticket sales**, please contact Tamera Smeenck at (509) 830-3506 (friends and family are a great place to start).
3. Lastly, for the auction to be successful we need to **procure items**. If you have a business you would like to contact for a donation, please contact Fransisca Vander Muelen at (509) 439-2538.

Booster Club Auction: Looking to earn some service hours for your school requirement? The auction committee is looking for people to sell raffle tickets at the remaining home basketball games. Please enter your name in the spreadsheet after the time slot if you wish to sign up for the time posted. Each slot is about 1.5 hours of service time. This year we will be raffling off the following: A set of 2 Magnum Cosmo E-Bikes, \$500 Costco Gift Card and an ice chest of meat from Post 5 Cattle.

Booster Club Auction: The Auction committee is looking for people to join our procurement team. We have had a few people retire from the procurement team and need new volunteers to step up. We will have a list of businesses that need people to contact them starting late winter/early spring. This is a great service hour opportunity; procuring from 5 different businesses can count for at least 1 service hour. If you would be willing to help out, please contact Fransisca VanderMeulen 509-439-2538.
