SCS Fall Drive: The Sunnyside Christian School Annual Fall Drive will begin soon. Our goal for this year's drive is $200,000 to be used to support the school's day-to-day operational budget, tuition assistance, transportation, and building maintenance. We humbly ask that you prayerfully consider how you might partner with us in meeting this goal. We want to continue to provide a Christ-centered education to students throughout our community. The attached letter will be going out to those on our current contact list. If you would like to be added to the list, please contact either school office.
